Mangroves .....	

## IMPORTANT INFORMATION:

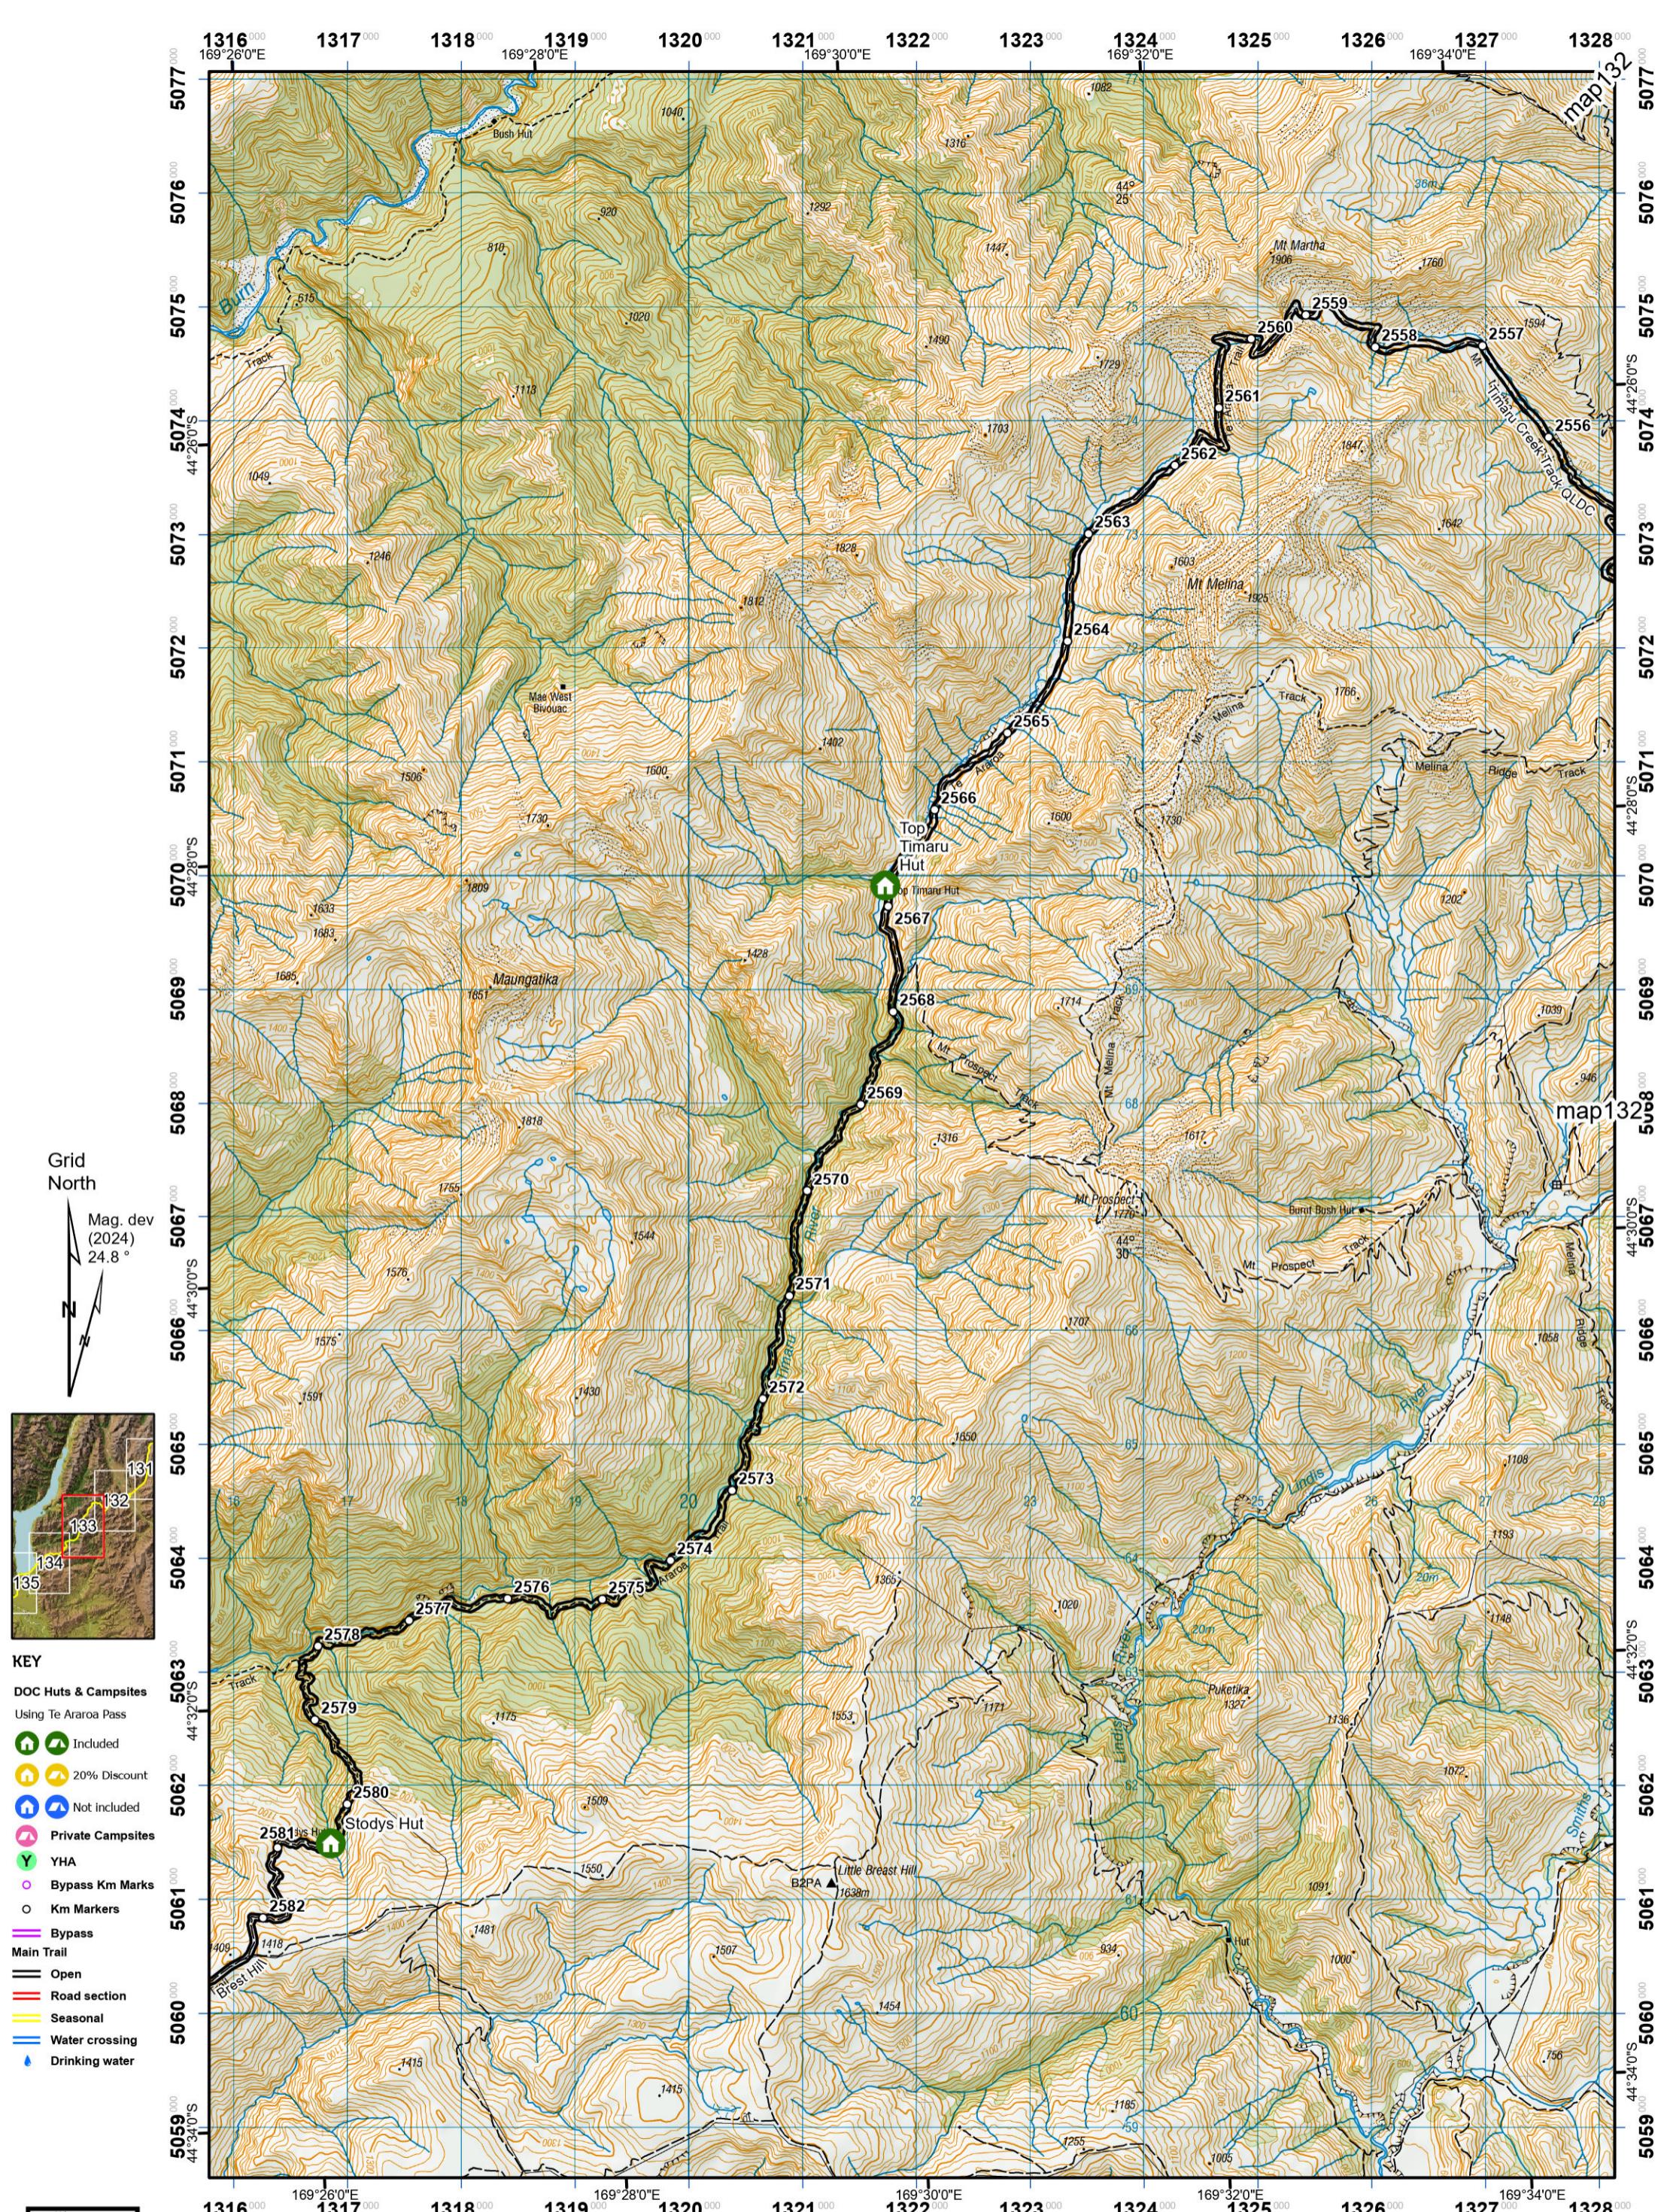

- Representation on this map of a road or track does not necessarily indicate public right of access.
- Closed tracks or routes on this map are defined as being no longer maintained or passable and should not be used by recreationalists. The Department of Conservation or other authorities should be contacted for the latest information on tracks and huts.
- Not all aerial wires, cableways and obstructions that could be hazardous to aircraft are shown on this map.
- Contours and spot elevations in forest and snow areas may be less accurate.
